

ZIGGURATS

Log on to the computer. Find the first article about Ziggurats listed under the Resource Section of the Class Wiki. Imagine that you are teaching a group of younger students about Ziggurats. After reading through the article once, go back and identify the three most important details that you believe a student should know about Ziggurats. Then skim through the article another time and identify two interesting details that might capture the attention of this young group of students. Write the five items below:

THREE **IMPORTANT** DETAILS ABOUT ZIGGURATS:

TWO **INTERESTING** DETAILS ABOUT ZIGGURATS:
